## Firefly Electric & Lighting Corporation (FELCO),

with its Mission of "Improving Filipino lives by providing quality products at affordable prices", and consistent with the Core Values of Focusing on Customer and Driving Innovation, is glad to announce the birth of a new product line: Firefly Yellow Shield.

Firefly Yellow Shield products aim to help Filipinos live under the "New Normal". This line-up of new products are designed to Prevent, Protect and Disinfect.

Protect yourself and your family with Firefly Yellow Shield Air Purifiers and Humidifiers.

Firefly Yellow Shield Air Purifiers help prevent the propagation of disease-causing germs and bacteria in homes, work areas and living spaces. Enjoy fresh air in its purest form.

Firefly Yellow Shield Air Humidifiers promote better sleep, prevent eye irritation and hoarseness of the throat among many other health benefits, so you could worry less.

Cleaner and safer home for you and your family's peace of mind.

### Why choose Firefly Yellow Shield?

#### HIGHEST QUALITY

Firefly Yellow Shield products pass through rigorous test protocols to meet the highest international standards of quality.

#### PROVEN TRACK RECORD

Firefly is a leading and trusted brand in lighting and special lighting appliances and has been in the Philippine market since 2001.

#### VALUE FOR MONEY

Firefly Yellow Shield products are guaranteed that they are of best quality, easy to operate and maintain at a competitive price. **Affordable but best quality!**

### Our 5-step Purification System gives you fresh air in its purest form.

Particle Size Chart Showing why HEPA True Filters are better than regular HEPA Filters, able to capture down to 0.1 micron such as germs and fine dust particles.

Let's all do our part in keeping our country safe and virus-free!

Enjoy fresh air in its purest form.  
Cleaner Air, Safer Home.

Smart WiFi Air Purifier with UVC Light and Ionizer

- 5

in-1
- Purification System**  
Pre-Filter + HEPA H13 True Filter + Carbon Filter + UVC + Ionizer

  - Traps particles of germs, allergens, pollen, dust, smoke and pet danders.
  - HEPA 13 True Filter: captures dust, smoke, pollen and other allergens and airborne contaminants down to 0.1 microns in size (up to 99.91% filtration rate).
  - Reduces VOCs (Volatile Organic Compounds) that easily become vapor or gases, toxic fumes and foul odor.
  - Releases negative ions using electricity to help capture finest dust particles that may have escaped from the filtering process.

- 70

sqm
- Coverage Area**  
up to 70 sqm.

- ION
- Ionizer**  
effectively removes pollutants ranging from pollen, mold, dust, animal fur, to viruses, smoke, and chemical toxins.

- DC Motor
- DC Motor from Japan**  
is durable and operates silently.

- UV
- UVC Light**  
breaks down and destroys virus, germs, bacteria, and fungi.

- CADR
- Clean Air Delivery Rate**  
CADR = 342 CFM (580m³/h).

- Filter Replacement
- Filter Replacement**  
ranges between 6 to 12 months cycle interval.

- Filter Replacement Indicator
- Filter Replacement Indicator**  
Prompts the user if the unit's filter needs to be replaced. This ensures the optimum performance of the purification system. Filters are usually replaced between 6 to 12 months.

- AUTO
- Auto Mode Function**  
Relax and let your air purifier automatically adjust its speed depending on current air quality condition.

- 4-Speed Fan Setting
- 4-Speed Fan Setting**  
Provides options for Low, Medium, High and Turbo modes. This speed settings allows you to adjust cleaning performance and efficiency.

- Timer Options
- Timer Options**  
can be set from 1 to 12 hours.

- Sleep Mode
- Sleep Mode**  
minimizes product noise.

Air purification, guaranteed.

Air Quality Indicator

PM 2.5 Data: (Unit: ug/m3)  
Air quality is indicated based on different ring light indicator.

- Bad Polluted (151-500)
- Medium Polluted (101-150)
- Good Air Quality (51-100)
- Excellent Air Quality (1-50)

Specifications	
Product Code	: FYP401
Lamp type	: UV-C
UVC Wavelength	: 254nm
Rated Power	: 65W
Operating voltage	: 230V 60Hz
Noise level	: 35 (low) - 56.5 dB (high)
Coverage area	: 70 Sqm
CADR	: 342 CFM, 580m³/h
Dimension	: 356 x 365 x 665 mm

*Benefits of using Firefly Air Humidifier*

Reduces respiratory diseases and airborne infections

Rehydrates skin preventing dryness and dullness

Promotes better sleep

Prevents eye irritation

Prevents hoarseness of the throat

2-n-1 Air Humidifier and Purifier

-  **No Mist Humidifying**
-  **Alarm & Auto Shut-Off Function**  
notifies once water level is low; automatically shuts off when water tank is empty.
-  **Touch Control Panel & LED Display**  
for ease of use and display current operation settings
-  **DC Motor from Japan**  
is durable and operates silently at 35db.

- Adjustable Humidity Level**  
with preset humidity option levels between the ideal range of 40% to 70%.
- Carbon Filter**  
absorbs dust and filters polluted air contaminants.
- Washable Disks**  
for easy maintenance.
- 4 Speed Setting**  
provides options for Slow, Low, Mid, and High.
- Timer Options**  
can be set between 1-12 hours.

**Benefits of using Humidifier and Purifier**

-  Improves air circulation, removes dust and allergen particles and bad odor
-  Removes the presence of pollen from the air
-  Filters out visible airborne particles such as hair strands, dust and debris

Specifications	
Product Code	: FYH101
Rated Voltage	: 220-240V
Rated Power	: 15W
Noise Level	: 35dB
Water Tank	: 4 Liters
Humidifying Capacity	: 250ml/H, 4 settings
Timer Function	: 1 - 12 Hours
Area Coverage	: 25-35m²
Dimensions	: 380 x 215 x 391 mm

Ultrasonic Air Humidifier

-  **Ultrasonic Cool and Warm Mist**  
increases moisture in the air for easier breathing and a good night's sleep.
-  **Touch Control Panel & LED Display**  
for ease of use and visible operation settings.
-  **Large Water Tank with Aroma Box**  
can fill up to 7L of water with separate container of essential oil.
-  **Adjustable Humidity Level**  
sets constant preferred humidity level between 40%-70% for quality control and excessive moisture avoidance.
- 360° Adjustable Mist Outlet**  
for specific angle direction preference.
- Alarm and Auto Shut-off Function**  
notifies once water level is low; automatically shuts off when water tank is empty.
- Top-Filling Portable Water Tank and Visible Water Level**  
for easy refill and water level checking.
- Timer Options**  
can be set between 1-12 hours.
- Sleep Mode Function**  
minimizes product noise.
